

MEMO FOR FRIDAY, 20 May 1978

Dr. [REDACTED] C/R

A [REDACTED] Security Office, advised me that he had had a meeting yesterday with a fairly large group, including [REDACTED] A  
Fr. [REDACTED] of TSS, and Fr. [REDACTED] Medical Officer. He stated that the group had reached no conclusion because of the stand which had been taken by Fr. [REDACTED] to the effect that such an operation was immoral and inhuman. A [REDACTED] is planning to set up a meeting of most of the individuals who were at the last meeting except Dr. [REDACTED] on 1 June. He will invite C [REDACTED] to address this group. [REDACTED] is also planning to bring several outstanding private experts in related fields from elsewhere in this country to attend the meeting, in support of [REDACTED] project. A
